

**Sign up for our 2017 extension tour  
February 16, 2017**

As we look ahead to the 2017 growing season, one of our central objectives will be to engage our stakeholders so that our extension curricula are more impactful for those we serve. To this end, we plan to visit as many of you as possible in 2017 to meet (or reconnect with) you, and see your operations and challenges, firsthand.

If you would like to schedule a visit to your facility for a conversation this summer, please complete this signup sheet (<https://www.surveymonkey.com/r/2017UNLturfextensiontour>) by March 10<sup>th</sup> so that we will have time to create a schedule for visits.
